## REPORT OF THE SELECTMEN

---

To the Citizens of the Town of Acushnet:

The Board organized on March 13, 1944 as follows: Mr. Henry L. Guilbeault was re-appointed Chairman of the Board of Selectmen, Old Age Assistance, and Public Welfare. Miss Mary Viera was re-appointed clerk of the Board. Meetings are held each Monday evening at 8 p. m. in the Selectmen's office.

The Town of Acushnet is at the present time in the best financial condition it has been for many years, with a cash account of \$94,000. Of this amount \$25,000 being invested in U. S. Treasury Bonds. Our outstanding debt is now only \$5,600.

However, it is the Board's desire and our plea, that the inhabitants and tax payers of Acushnet still maintain the present tax rate of \$35.00 per thousand, in this way building up a reserve for future needs.

Due to the high cost of printing this year, the Board of Selectmen have decided to eliminate as much unnecessary printing as possible in the town reports.

We wish to express our appreciation for the assistance and cooperation given us by the citizens and the town departments during the past year.

Respectfully submitted,

HENRY L. GUILBEAULT

AMEDEE GAUTREAU

WALTON E. BRALEY

Board of Selectmen.

## REPORT OF SCHOOL PHYSICIAN AND SCHOOL NURSE

Mr. Albert F. Ford,  
 Superintendent of Schools,  
 Acushnet, Mass.

My dear Mr. Ford,

The school physician and school nurse respectfully present  
 the following report for the year 1944:

At the opening of schools in September, the regular physi-  
 cal examinations were begun and carried out as rapidly as pos-  
 sible.

The predominating feature of these examinations was the  
 great number of severely diseased teeth found throughout the  
 schools. Only a little over ten percent of the children had teeth  
 partially corrected or in fair condition. The result shows in re-  
 duced resistance, increased susceptibility to colds and other dis-  
 eases and a marked reduction in the physical appearance of the  
 children.

We therefore feel that some attention to teeth is impera-  
 tive.

War conditions and attendant evils have made dentistry  
 very hard to secure and it puts an increased duty upon us to  
 make more effort to secure some definite program of correction  
 for this trouble. We hope we may secure an allotment of funds  
 to permit at least relief for the worst cases.

The fact that both parents have, because of war and war  
 work been absent from home to an extent that has been reflected  
 in the physical condition of the children, bears on the present  
 situation.

Valuable first aid kits were purchased by the school department as replacements for worn out units. Much effective use is being made of this equipment.

We appreciate most heartily the complete cooperation of the School Committee, the Superintendent, and of the teachers as on them depends the daily supervision of the hygienic habits of our children.

The failure of parents and physicians to notify the Health Board of contagious diseases in the town, has made it hard to control the spread of infectious diseases of children and during the coming year we shall endeavor to have this condition remedied.

Diphtheria inoculations were carried out in the Spring and in the Fall. In spite of a marked increase of diphtheria in the state, our record has been clear for over ten years, and we were one of the first towns to go one hundred percent into immunization for diphtheria.

The sudden passing last May of Miss Margaret Duxbury is deeply regretted by her associates in the field of Public Health.

Respectfully submitted,

JOEL P. BRADFORD, M.D.

STASIA K. KUT, R.N.
