Motion to Accept May 22, 2019 minutes: (see #1 - OLD Business Below)

### OLD BUSINESS:

1. Recent conversations with the Massachusetts Historical Commission showed that there was a discrepancy in past verbage and exchange of photos between them. The MHC kept insisting that the roofline of the Perry Hill Church had been changed, based upon photos passed to them from Pauline. What was changed was not the roofline but an internal ceiling structure removed and roof beams tied together with cross ties added for additional roof support. The internal ceiling was changed in the past by means of adding cross ties connecting both east and west roof beams together; thus giving it additional ridigity. THis had been done prior to the Acushnet Historical Commission having anything to do with the original work on the PHC. If this ceiling structure hinders the PHC from being rejected then it is simple enough that it can be removed when additional funding is available.

The correct wording will be corrected on the past month's minutes report and read at the July 18, 2019 meeting.

Motion to adjourn: Madeline Gwozdz, 2<sup>nd</sup> Robert Hall.
